

HER

1087

Identification

Genus	Species	Subspecies	Strain
Bacillus	sphaericus		Kellen Q

Aliases

Growth conditions

Тетр.	Medium	Aerobic/Anaerobic	Agitation	Other
30	BHI			NYM, Nutrient
	TSA			broth

Lysogeny

Phage sensitivity

HER 87 (SST)

Reference

J. Invertebr. Pathol. 7:442-448.

Remark

History

History

Received fromDr A. Yousten, Biology Department, Virginia Polytechnic

Institute and State University, Blacksburg, Va 24061, USA

Date

02-04-1982

Isolated by Date

S. Singer, Western Illinois University, Macomb, USA
