

HER number 765				
Identification				
Name 765	<i>Morphotype</i> Myophage	Other designations		
Taxonomy				
Realm Duplodnaviria	Kingdom Heunggongvirae	Phylum <u>Uroviricota</u>	Class Caudoviricetes	
Order Pantevenvirales	Family Straboviridae	Genus Biquartavirus	Species	
Images				
Electron Micrograph		Image description	Image description	
Characteristics		Genomic sequence Activated		
Propagation conditions				
Bacterial hosts 1755				
Reference				
Remarks				

History
