

## MRS

For 1 liter of MRS:  
55 g of MRS.  
Complete to 1 liter with water.

For MRS-agar:  
Add 15 g of agar per liter.

For MRS-top agar:  
Add 7.5 g of agar per liter.

Autoclave.

For phage titration or amplification, add 10mM of sterile  $\text{CaCl}_2$  after autoclave.
