

Numéro HER  
357

## Identification

|                                 |                             |                                       |
|---------------------------------|-----------------------------|---------------------------------------|
| Nom<br>CP-54Ber (not available) | Morphotype<br>A1 (Myophage) | Autres désignations<br>CP54<U>ber</U> |
|---------------------------------|-----------------------------|---------------------------------------|

## Taxonomie

|         |               |               |        |
|---------|---------------|---------------|--------|
| Domaine | Règne         | Embranchement | Classe |
| Ordre   | Famille<br>?1 | Genre         | Espèce |
